

Christmas Morning

By Cassie & Billy Lord

**On Christmas morning, Christmas morning
When God sent us His Grace
On Christmas morning, Christmas morning
In the form of a Babe**

**And the angels sang His glory
And shepherds sang His praise
On Christmas morning, Christmas morning
So the world might be saved**

**Of all of my gifts that lie under the tree
None are greater than Jesus who was given for me**

**On Christmas morning, Christmas morning
When God sent me His Grace
On Christmas morning, Christmas morning
In the form of a Babe**

**And now I sing His glory
And now I sing His praise
On Christmas morning, Christmas morning
Through my Jesus I'm saved**

**On Christmas morning, Christmas morning
Just receive and be saved**
