

# **You Stepped Down From Glory**

**A little baby in a lowly feeding trough  
No royal welcome, Your majesty was lost  
In a world so cold and dark  
But Your love would be the spark  
That would light our hearts, when...**

**Chorus:**

**You stepped down from glory  
You stepped into this life  
You left Your throne empty  
To bring peace on earth that night  
And the hope of heaven  
Was in the arms of just a girl  
When You stepped down to be  
The Savior of the world**

**Angels came to shepherds  
Proclaiming through their song  
Born was the Messiah  
They had waited for so long  
So they rushed to where You lay**

**And found this little baby  
Who would take their sins away**

## **CHORUS**

Bridge:

**Glory in the highest, hear the angels sing  
Glory in the highest to the newborn King  
Glory in the highest, let the praises ring  
Glory in the highest to the King**

Chorus:

**You stepped down from glory  
You stepped into my life  
You left Your throne empty  
To bring peace on earth that night  
And the hope of heaven  
Was in the arms of just a girl  
When You stepped down to be  
The Savior of the world**
